### **Introduction of participants**

Participants introduced themselves at the Site Trailer at the Orgaworld Plant (See attached list)

---

### **Tour of Plant**

Ryan Lauzon gave the participants a brief introduction to Orgaworld and then took them on a tour of the plant.

---

### **Introduction of Orgaworld Advisory Committee**

Councillor Doug Thompson explained to the participants the nature and value of the Advisory Committee. He pointed out that the Springhill Advisory Committee had been up and running for years and was very successful. He noted that if anyone wanted to speak to a Springhill Advisory Committee member, that this could be arranged.

---

### **Discussion of status of the plant**

Ryan Lauzon gave the participants a quick summary of the status of the plant – Plant will be up and running some time in January 2010, with a final date identified in early December.

---

### **Review of Draft Terms of Reference**

- The Draft Terms of reference that had been circulated in advance of the meeting were reviewed.
  - The revised and approved Terms of Reference are appended to the minutes.
- 

### **Appointment of Chair**

- Dale Harley – Member at Large was appointed Chair
  - Theresa Boucher – Ramsayville Road was appoint vice-chair
- 

**Round Table Q's & A's**

- An issue raised was concerning the availability of markets for the compost product – Ryan Lauzon noted that the entire product from the plant has been spoken for by local farmers already.
  - It was confirmed that the Orgaworld Canada Web Site was up and running and could be accessed at: [www.orgaworld.ca](http://www.orgaworld.ca) You are redirected to [www.orgaworld.nl](http://www.orgaworld.nl) where you click on the Orgaworld Canada button.
-
